Thank you for choosing deliverLA for your time sensitive deliveries. After reviewing your information, we may extend credit and invoice you for services rendered. Please be advised that our invoices are due upon receipt and we ask for prompt payment off all invoices. In the event that you are delinquent on payments, interest and late penalties may apply. In the event of a dispute or loss, you must make a claim within three business days of such event. In case of a claim against us, you may not withhold payment on services already rendered. Our rates are subject to change based on industry trends, cost of doing business, your volume and payment habits. Rate changes may occur without advance notice. This paragraph is a part of our agreement and condition of us providing service.

For internal use only
